***Traffic can avoid the race for most areas by using the expressway. Traffic coming west on Rt. 441 can go Rt. 490 W to Rt. 590 S and exit at Elmwood to get back to open parts of East Ave. Anyone coming from the East trying to get to Penfield/Perinton should use the expressway and go to 490 E and exit at Rt. 441, East Rochester or Rt. 31. There are easy options around the road closures for Highland and S. Clinton. Add extra time to all commutes.**
